Over the summer...

Right now, your children are in "school" mode.

We are constantly reviewing letters, sounds, numbers, etc. It will be hard for students to remember these things over the summer if they don't keep practicing. Please continue to read to your child over

the summer. Have them practice writing their name as well as other letters. Look for numbers on road signs. Sing the days of the week and the months of the year in the car. Just try to keep their new-found information fresh. It will be so helpful when they begin kindergarten.

You will need to come to the school on August 4th or 5th from 7:00am-1:00pm or 3:00pm-7:00pm for "Facts and Fees".

At this time, you may find out your child's teacher for kindergarten.

Meet the teacher is scheduled for August 13th from 6:30pm-8:00pm.

End of Year Celebration

We look forward to seeing you all at our end of the year program. You are in for a treat! Please sign in at the front office and then meet us in the

library. We are so excited to share this last day with all of our families! It is hard to believe that these children will be going to kindergarten next year! We want to say

Thank you for all of your support throughout the year. This year has been a great experience for all of the children and we believe it will help each one transition into kindergarten next year.

Birthday Celebration

For our birthday celebration on May 29th, we will be celebrating birthdays in **May, June, and July**. Please contact your room-mom if you would like to send in a treat.

End of Year

Celebration

Please mark your calendars for the last day of school

(see below) for both of our classes. We will have a special celebration to include parents on these days.

Please look for an invitation in your child's folder. They may want to dress nicely for this occasion.
